Parcel Consolidation Request

Owners of multiple parcels will sometimes request them to be combined into one tax parcel so that they receive fewer tax bills in the mail or for other personal reasons. There are specific conditions that must be met in order to combine the parcels, i.e. Ownership, parcels adjacent, zoning and tax code must all be the same. Upon receipt of this request the GIS and Assessment Office will review and determine if such combinations can be made.

Have taxes been paid for the 20____? Yes No

Is there more than one dwelling involved with this proposed consolidation? Yes No

What will be the site address of property? _____

Parcel Number	Tax Code	Prop. Class	Site Address	Exemptions

(Please attach any additional parcel numbers)
